March 23, 2018

Greetings Parents!

Conferences and spring vacation are a week away! Teachers have been working hard assessing students as well as completing second trimester report cards. You can expect to receive report cards at your conference.

Woohoo! First "STEM Fest" at Gordon!

Thanks to the North Kitsap Schools Foundation and Kingston Rotary, we are planning a full day of STEM (Science, Technology, Engineering, Math) learning at Gordon. We are fortunate to partner with Navy STEM Coordinators who will bring Bristlebots and Statapults for our 4th and 5th graders. Museum of Flight will be here all day working with Rocket Science, Coding and a Robot Garage for older students. K-2 students will have an assembly on Flying Gizmos and make their own kites to fly in the afternoon. This should be a fun filled day of learning for all of our students!

Smarter Balance Assessments (SBA) are planned for 3rd-8th grade students April – June. Watch for more information after students return from spring vacation.

Safety Update

Our district will focus on safety through the remainder of the year. Teachers will be trained in new procedures, then create a plan for our students to learn the procedures as well as communicate the plan to parents.

If you should have any questions or concerns, please don't hesitate to contact me at 360-396-3800 or ktollefson@nkschools.org

Warmly,
Principal Tollefson

What's Happening this Month

March 26th

Meet the principal candidates at Gordon at 7pm

March 27th

WHEN IS SICK TOO SICK FOR SCHOOL?

Send me to school if...

I have a runny nose or just a little cough, but no other symptoms.

I haven't taken any fever reducing medicine for 24 hours, and I haven't had a fever during that time.

I haven't thrown up or had any diarrhea for 24 hours.

Keep me at home if...

I have a temperature higher than 100 degrees even after taking medicine.

I'm throwing up or have diarrhea.

My eyes are pink and crusty.

Call the doctor if...

I have a temperature higher than 100 degrees for more than two days.

I've been throwing up or have diarrhea for more than two days.

I've had the sniffles for more than a week, and they aren't getting better.

I still have asthma symptoms after using my asthma medicine (and call 911 if I'm having trouble breathing after using an inhaler).

Adapted with permission from Baltimore City Public Schools.

Counselor's Corner

One of my primary roles in working with students as counselor at Gordon is to be a "coach" vs. therapist for kids. I endeavor to assist students in making positive choices related to school concerns. As a parent you might find the following ideas for home to be helpful as your children grow to be responsible adults. The following are ideas for small problems that come up (safety problems are addressed by the parent). This is taken from Jim Fay, founder of the Love and Logic Institute:

Love and Logic Rules for Choices

- Never give a choice on an issue that might cause a problem for you or for anyone else.
- For each choice, give only two options, each of which will be OK with you.
- If the child doesn't decide in ten seconds, decide for him or her.
- Only give choices that fit with your value system.

Some Love and Logic Examples of Little Choices

- Would you like to wear your coat or carry it?
- Are you going to clean the garage or mow the lawn this week?
- Will you have these chores done tomorrow? Or do you need an extra day to get them finished?
- Are you having peas or carrots as your vegetable tonight?
- Are you going to bed now? Or would you like to wait 15 minutes?
- Can you stay with us and stop that, or do you need to leave for a while and come back when you are sweet?
- Are you going to put your pajamas on first or brush your teeth first?
- Will you be home at 10:00? Or do you need an extra half hour with your friends?

Nondiscrimination Notification

The North Kitsap School District does not discriminate on the basis of sex, race, color, national origin, disability, or age in its program or activities and provides equal access to the Boy Scouts and other designated youth groups. The North Kitsap School District offers classes in many career and technical education program areas (American Sign Language, Athletic Medicine, Computer Science, Culinary Arts, Digital Graphics/Photography, Environmental Science, FASCE, Health, Production Arts, Recording Arts) under its open admissions policy. For more information about CTE course offerings and admissions criteria, contact Kim Eimers (18360 Caldart Avenue NE; Poulsbo, WA 98370; 360-396-3040.) Lack of English language proficiency will not be a barrier to admission and participation in career and technical education programs. The following people have been designated to handle inquiries regarding the nondiscrimination policies: Chris Willits, Assistant Superintendent 18360 Caldart Ave. NE, Poulsbo WA 98370 (360) 396-3003 cwillits@nkschools.org
Lori Kingery, Assistant Director of Special Education 18360 Caldart Ave NE, Poulsbo WA 98370 (360)396-3072 lkingery@nkschools.org
