

Music Minutes:

Welcome Back !

It's so great to see everyone these past few days and I'll bet that students have let you know of some changes in their specialist time... **Every Friday is Team Time!**

Team Time is often active so remember to send your student to school with active wear. We may also be outside, weather permitting. Every class will come every Friday.

Team Time

- Physical fitness goals
- Together, solving problems
- Practicing and reinforcing school-wide expectations
- Movement and play
- Having FUN!

Elementary music specialists from our district took a drumming class together this summer & Mrs. Barrett looks forward to practicing her new skills with our Gordon Explorers!

Calendars are being set and October's Flash will have many dates to save!

Leah Barrett: music specialist at Richard Gordon Elementary
